

EXTENDABLE BOOM

Designed for lifting, loading and positioning.

Features:

- Superior efficiency in handling and placing large items such as manhole covers or pipe
- Hydraulic or manual extension options
- Hook included as standard
- Mount in place of a standard loader bucket using factory pins or coupler brackets
- Eliminates the need for an overhead or mobile crane

Capacity is based upon the hydraulic limitation or tip limitation of your machine. Please refer to your loader's specific ratings.
